

November 2009 Newsletter

HJ News

Time truly has flown since the last HJ Image Newsletter! I don't know about you but 2009 has whizzed by and we are almost nearing the end of it already! They say time flies when you are having fun.....so much fun that I didn't manage to send out an October Newsletter!

So what have I been up to? Well along side a number of consultations, Style Parties and Private Workshops, in September I had the 2nd Necklines & Necklaces event, swiftly followed by the Mix 'n' Match evening in October. Both evening were as always extremely enjoyable – I really do get such a buzz from being able to meet you all and share what I know with you. Mix 'n' Match was very interesting as I handed over my very own wardrobe to 20 ladies who created a fantastic array of outfits, some even I hadn't managed to find yet....so thank you!

I have also been busy with the organisation of my sister's wedding which is now just under 2 months away! Most things are in place now and almost everyone in the Wedding Party has something to wear! We just have a few accessories to find. It's been a fantastic opportunity for me to learn more about the wedding industry and again advise on the colours and styles for the event. I can't wait for the big day now!

Plans for 2010

One of my main aims for 2010 is to roll out more HJ Image events and workshops. To date we have had:

-  **Figure-ing it Out!** The basic principles of body shapes
-  **Swishing Evening** Swapping clothes and accessories
-  **Necklines & Necklaces** Twice!
-  **Mix 'n' Match** Building your very own capsule wardrobe

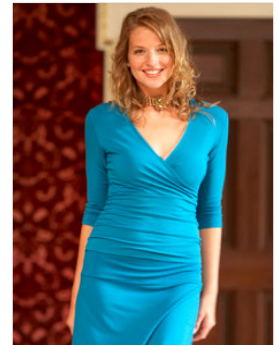

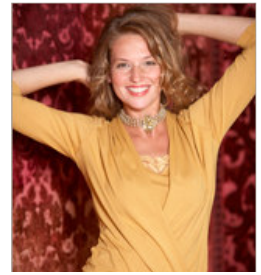

I have thoroughly enjoyed putting them together and from the feedback I have received from you all you have also enjoyed coming to them. I shall be rolling out the events programme very shortly so keep an eye on your emails for the dates and also on the website [events page](#).

Kettlewell Colours Offer

Kettlewell Colours are offering **FREE DELIVERY & RETURNS** on all orders placed before 1st December 2009.

As I have mentioned to you previously I have a range of sample tops that I use in my consultations and also for people to be able to try on styles and sizes before ordering. If you would like to arrange a time to come and try these on then please just get in touch.

If you would like to take advantage of this offer then please send through the details of what you would like to order and payment I can place your order for you. Having spoken to many ladies about Kettlewell Colours I explain that whilst I do obtain a small commission for promoting their range I use this to enable me to purchase my sample range and to also put on the events that I have been. So get your orders in quickly to make the most of this offer!

The art of giving (or receiving!)

I always find it tricky to buy presents for people at Christmas. I want them to really enjoy what I choose for them and hope that it is a thoughtful and original idea!

HJ Image has the solution providing both gift vouchers and gift consultations for your friends and family.

Why not club together and get a Colour Analysis for your Mum, or a Personal Shopping Trip for your sister?

Or perhaps you may want something for yourself, in which case log onto www.hjimage.co.uk and conveniently leave it on the screen for your other half to spot!

In fact why not get the girls over and have a pre-Christmas get together with a [Style Secrets Party](#) or a Make Up Party! Call now to book your date!

I'll be sending some ideas for festive frocks and Christmas outfits very shortly, but in the meantime if you have any questions or comments please do get in touch!

Take care

Helen
