provides image consultation services for both your professional and personal needs with consultations ranging from group interactive workshops to private, individual appointments.

The skills you will learn are guaranteed to save you time and money so you can look good and feel great all of the time!

Manage your image, maximise your impact!

Individual Services

Colour Analysis

Discover the colours that suit you best, followed by advice on clothes, accessories, hair colour and complete make-up application. A credit card sized 'colour swatch' is included in the cost – containing 32 different colours that will help you when shopping and sorting your clothes.

The cost for this service for 1 person is £75 and lasts around 90 minutes

For 2 people £130 and lasts around 2 hours

For 3 people £165 and lasts around 3 hours

Style Analysis

We will look at your body shape, face shape, proportions, scale and lifestyle to discover the clothes that are going to flatter you all day every day. You will receive a comprehensive style guide following your consultation helping you to select clothes with more confidence.

The cost for this service is £90 and lasts up to 2 hours

Impact Management for Men

Learn how choosing the right colours and styles can make all the difference to how others perceive you. Session includes colour and style analysis, image audit, wardrobe planning and how to use your clothes to your best advantage.

The cost for this service is £135 and lasts up to 3 hours

Wardrobe Detox

Following on from the first 2 consultations, a wardrobe detox would be a thorough sort through your wardrobe. A wardrobe plan would then be devised that works with you, your lifestyle and your budget, allowing you to get the most from your clothes.

The cost for this service is £135 and lasts up to 3 hours

The Complete Wardrobe Makeover

This popular consultation combines colour analysis, style analysis and wardrobe detox into 1.

The cost for this service is £240 and lasts between 5 and 6 hours

Wardrobe Wizardry!

Learn the secrets behind a successful capsule wardrobe for workwear or casual clothes, and discover how to be 'suitcase savvy' packing suitcases for business and pleasure trips without having to buy an extra bag!

The cost for this service is £90 and lasts up to 2 hours

Personal Shopping

An accompanied shopping trip for either for special occasion outfits, business or basic wardrobe pieces. Receive honest, professional advice and enjoy finding the clothes that make you look and feel great!

The cost for this service is £45 per hour (minimum of 2 hours)

Other Services

Gift Vouchers

If you are looking for a unique gift idea for a friend or family member gift vouchers are available in £5 increments and are redeemable against all services.

Why not club together with 2 or 3 others and get something really special!
